## About Us

The shop was opened in May 2009 by Kay Hamilton-Crook, who now manages the shop with the help of a great team of staff. Kay truly believed that all Buntingford needed, to make it the perfect place to live, was a high-quality coffee shop serving excellent food and drink, all day, every day. The whole team believes in delivering excellent food and drink sourced as locally as possible. We strive to be part of the community by catering above and beyond people's expectations.

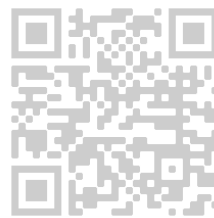

We aspire to be zero waste, we will not tolerate single use plastics, and all of our takeaway containers and coffee cups are fully compostable.

We have set up a loyalty scheme for using re-usable cups, allowing you to work your way towards a free coffee!
